

**THE CITY OF LOCKPORT IS CURRENTLY TAKING
APPLICATIONS FOR THE FOLLOWING POSITION:**

**PUBLIC WORKS EQUIPMENT
MECHANIC/HIGHWAY AND PARKS
DEPARTMENT**

STARTING SALARY: \$40,002/YR

The work involves responsibility for the efficient and complete overhaul and repair of a wide variety of automotive and road construction equipment. The duties and responsibilities of this position differ from Automotive Mechanic in that Public Works Equipment Mechanic work on both light automotive equipment and heavy road construction equipment. General supervision is received permitting considerable leeway in planning details of each assignment

Required Qualifications:

- a) Graduation from a New York State registered or regionally accredited two (2) year technical school or community college with an Associate's Degree or certificate in automotive technology or mechanics; OR
- b) Graduation from a High School technical or vocational program in automotive mechanics and three (3) years of experience in an automotive repair shop performing repair and maintenance of automotive equipment; OR
- c) Four (4) years of experience as described in (b); OR
- d) An equivalent combination of training and experience as defined by the limits of (a), (b) and (c).

Special Requirements: Possession of a New York State Commercial Driver's License at the time of appointment and throughout employment with the City.
